UNLOCK DREAMS

THE ULTIMATE GUIDE TO EXECUTIVE CONDOMINIUM

YOUR EXECUTIVE CONDO JOURNEY STARTS HERE

TRANSFORMATION OF SEMBAWANG

REDEFINING NORTHERN LIVING

🚢 New Waterfront Lifestyle District

- Sembawang Shipyard is envisioned as a mixed-use waterfront district that will integrate new homes, lifestyle amenities, public promenades, recreation, and Sembawang's maritime heritage.

🏛️ Maritime Heritage Preserved

- Future developments will retain and integrate significant maritime structures and stories from Sembawang's naval and shipyard history.

🌊 Green & Blue Connectivity

- Sembawang's waterways, parks and Park Connector Network will provide better connections between neighbourhoods and nature.

🚿 Sembawang Hot Spring Park

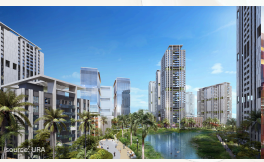
- The upgraded park provides a distinctive leisure and nature destination rooted in Sembawang's heritage.

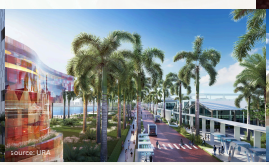
🚗 Better Regional Connectivity

- The North-South Corridor will connect the North directly to the city while creating more spaces for walking, cycling and community activities.

📈 Major Long-Term Transformation

- A wider North Region rejuvenation, combining new homes, lifestyle amenities, nature and heritage.





YISHUN TRANSFORMATION

A BRIGHTER, MORE CONNECTED TOMORROW

YISHUN 10 Redevelopment

- To be redeveloped into a new mixed-use complex, targeted for completion by mid-2031, adding more commercial and lifestyle offerings to the town centre.

More homes around Yishun MRT

- The area around Yishun MRT will be intensified with hundreds of new homes, including redevelopment of the former bus interchange site.

New Integrated Community Hub

- Chong Pang City is expected to be completed in 2027, with 3 swimming pools, a sheltered running track, market and community facilities, enhancing everyday convenience.

Land-Use Transformation Opportunity

- Orchid Country Club is among the golf courses slated to close by 2030, creating potential for future redevelopment and new uses of the land.

New integrated township precinct

- Chencharu will feature new homes, a park, hawker centre and bus interchange, creating a more complete live-work-play environment.

Waterfront & nature rejuvenation

- URA's plans highlight Lower Seletar as a recreational and waterfront destination, strengthening Yishun's connection to nature and the reservoir.

THE NORTH-SOUTH CORRIDOR

Faster North-to-City Connectivity

- 21.5 km Route: Connects northern estates (Woodlands, Yishun) directly to the Downtown Core and ECP.

Walk-Cycle-Ride (WCR) Vision

- Repurposes surface roads for continuous cycling trunk routes, dedicated bus lanes, and wider footpaths.

Phased Opening Timeline

- The elevated viaduct is targeted to open in phases from 2029, followed by the underground tunnel in phases from 2031.

Supports Future Northern Growth

- Improves connectivity to the SLE, PIE and ECP, while supporting new developments and creating more community spaces along the corridor.

THE NORTH NEXT BIG TRANSFORMATION AT WOODLANDS

Northern Gateway Economic Hub
- Strengthens Woodlands as an economic hub connecting Singapore, Johor Bahru and the Johor-Singapore Special Economic Zone(SEZ).

Four Distinct Precincts
- Woodlands Regional Centre(WRC) comprises Woodlands Central, Woodlands Gateway, Housing by the Woods and Woodlands Waterfront, each with a different role.

Enhanced Regional Connectivity
- Connectivity is supported by MRT, road links, the redeveloped Woodlands Checkpoint and the upcoming JB–Singapore RTS Link.

Integrated Pedestrian Network
- Multi-level sheltered, underground and elevated pedestrian connections will link developments, transport facilities and public spaces.

More Office & Retail Spaces
- Woodlands Central will serve as the North's main commercial hub, with further office and retail development planned.

Work–Learn–Make Hub
- Woodlands Gateway is planned as an employment and manufacturing hub supporting clean production, research, businesses and next-generation jobs.

Green & Sustainable Living
- New developments are expected to incorporate greenery such as sky terraces and roof gardens, supporting a greener urban environment.

Nature, Housing & Waterfront Living
- Housing by the Woods integrates homes with nature around Admiralty Park, while Woodlands Waterfront is planned with a welcoming public realm connected to the waterfront park.

BUKIT PANJANG REJUVENATION

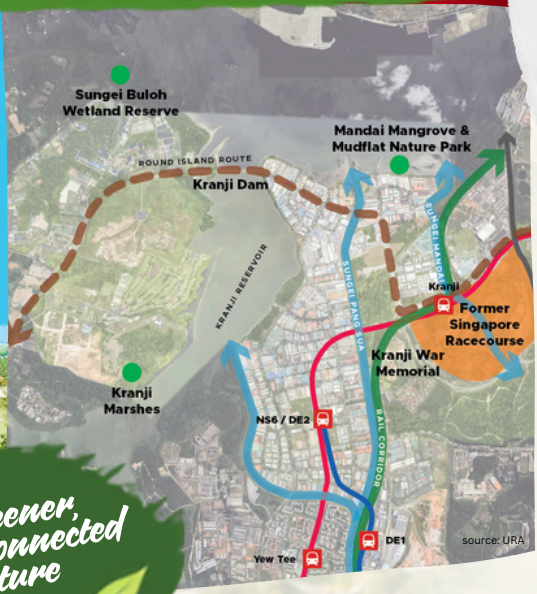
Rail Corridor
- Enhanced rail corridor connectivity and active mobility

LRT Upgrading
- Improved reliability and capacity for a smoother commute

Downtown Line Extensions
- Bukit Panjang MRT to the North-South Line via Sungei Kadut

New Regional Bus Services
- Direct connection from Senja to Jurong East regional hub

KRANJI REDEVELOPMENT



A greener, more connected future

New Housing Communities
- Modern, sustainable homes (Former Turf Club City) for a growing Kranji

More Green & Nature Spaces
- Parks, coastal greenery and nature trails for a healthier lifestyle

Better Connectivity
- Improved transport links and easier access to the rest of Singapore

F&B, Retail & Lifestyle Amenities
- More options for dining, shopping, and everyday convenience
